1. Any changes made to the Terms and Conditions may affect the information to be included in the details above.
2. The above abridged Terms and Conditions may be shortened further if any of the above details are present in the copy of the collateral. We also assume that appropriate details on how to enter will be included in the artwork, however, please contact us if this is not the case.
3. **The provision of the above abridged Terms and Conditions does not equate to legal approval of any advertising material that contains the above details. We strongly recommend that any advertising material be forwarded to our office for legal approval prior to proceeding to print/recording/publication.**
4. Please ensure you adopt one of the following approaches in relation to collection of personal information:
 - a. Include a fully compliant collection statement immediately underneath the entry submission button for the online entry form: ***"Your info is used to conduct this promotion and may be disclosed to service providers and authorities as required. We may also use your info for our own marketing purposes and as set out in the Terms & Conditions. If the info is not provided you cannot enter. Our Privacy Policy contains details on how info is used, how you may access/correct info held and our privacy complaints process. Your info will not be disclosed overseas"*** (the words 'Privacy Policy' must be a link to the Promoter's Privacy Policy, the words 'Terms and Conditions' must be a link to the full Terms and Conditions for the promotion). If you choose this option, it is not necessary to also include a tick-box for entrants to select agreeing to the Promoter's Privacy Policy; or
 - b. Include the following linked tick box on the online entry form ***" I have read the Terms and Conditions & Privacy Policy"***, ensuring that the box is unchecked. The words "Terms and Conditions" must be a link to the full Terms and Conditions for the promotion, and the words "Privacy Policy" must be a link to the Promoter's Privacy Policy since the Promoter is collecting the information. There are specific requirements under the Australian Privacy Principles (and the Privacy Act) when collecting information and it is our view that the inclusion of this mandatory tick box on the online entry form will be sufficient to meet these requirements provided the privacy policy is available by click-through. We are also aware that most promoters take this approach.
